

CCTST COVID-19 Critical Community Challenge Grant (C⁵G) Workshop

Zoom call

September 8, 2020

1:00-2:00 PM

Outline of Workshop

- Overall goals:
 - To facilitate completion of grants with the goal to bring new data to the management of COVID-19 in our community
 - To openly discuss relevant community questions about COVID-19
 - Identify potential synergies between grant awardees and resources that may be available in the community
- Outline:
 - Status of C5G Program and future with Phase 2 and 3 studies
 - Brief presentations of each of the awarded grants to include aims, progress to date and plans for Phases 2 and 3 (5 min/each)
 - Overall discussion of potential interactions and resources
